# Fall 2022 Virtual India Undergraduate Student Recruitment Fair

Dear International Admissions Officers,

With immense pleasure, we are delighted to share with you our Fall 2022 India Undergraduate Student Recruitment Virtual Fair.

Our Organisation has established its presence with Leading High Schools in India - one of the Fastest Growing Countries for Outbound International Undergraduate Students to U.S. Institutions.

Our Virtual Fair's Focused Structure promoting the concept of a U.S. Undergraduate Education at High Schools in India enables Institutions to achieve Quality Undergraduate Student Interactions, Rich Exposure, Long-term Relationship Building with High School Counsellor Officials and Productive Meetings with 11th and 12th Grade Students, Parents.

**Our Undergraduate Student Recruitment Virtual Fair are designed with the following unique benefits:**

- **Established Target Audience of Participating High School Students & Parents**

Over 80% of the graduating 12<sup>th</sup> grade class students from the participating high schools choose to study in the U.S. for their Bachelors Degree. Furthermore, students from these schools pursue a diverse set of majors in College such as Psychology, Political Science, Fine Arts, Film and Media Studies, Economics, Business, Computer Science, Engineering etc. These students have also taken their English Proficiency Tests such as TOEFL, IELTS and Duolingo and thus are well prepared to pursue their Bachelors Degree in the U.S. Similarly, Parents also play an active role in meeting with International Admission Officials to learn more about their institutions, are globally well travelled and come from professional backgrounds that recognise the strength and quality of a U.S. Bachelors Education.

- **Strong Profile of High School Counsellors**

The participating high school counsellors have extensive experience working in their schools and in the field of international education via active involvement in educational conferences such as NAFSA, International ACAC, IB World Conference etc, in order to help their 12<sup>th</sup> grade students pursue a Bachelors Degree education in the United States.

- **Good Fit High Schools from Tier 1 & Tier 2 & Tier 3 Cities in India**

The quality of high schools chosen to participate during our virtual fair is the what truly differentiates our service. Each participating school is chosen carefully considering the above parameters which in turn enables students, parents and counsellors to be well

prepared and actively participate during the time of the virtual fair leading to increased engagement with U.S. Institutions.

• **High Growth Market for International Undergraduate Enrolment at U.S. Institutions**

India is One of the Fastest Growing Countries in the World in terms of International Undergraduate Student Enrolment at U.S. Institutions having witnessed significant growth over the past decade.

• **Positive Return on Investment**

Our Partners across the board have witnessed a significant increase in their undergraduate program inquiries, applications and enrolments after participation in our recruitment events that has enabled them to enrol good fit undergraduate students and establish strong long-term relationships with high school counsellors across India.

• **Promoting U.S. Undergraduate Education at High Schools in India**

At Kunal Parekh High School Tours, our organisation today has partnered with 100+ High Schools in 15 Cities across India catering to Universities and Colleges across the United States. Our virtual fair’s unique structure enables institutions to enrol well qualified good fit undergraduate students and build long-term relationships with high school counsellors.

In the following pages, we have included information regarding our fair’s schedule, structure, costs and application details.

We look forward to providing a highly productive experience to your institution. In the meantime, please feel free to contact us if you require any further information and it will be our pleasure to be of any assistance to you.
